## VONDOM

## OUR PASSION IS DESIGN

---

Vondom's challenge has been to inspire life in every piece, achieving a natural balance between the environment, shapes, and forms. This philosophy is transferred throughout our creations and our designer culture represents our key to success and a guideline in every step we take.

We introduce a series of **corporate and institutional projects** where the Vondom collections have managed to create a multidisciplinary work environment that stands out for its versatility and a modern and welcoming style.

## FINANCIAL WEST | China

---

An office space that serves as a platform for six business hubs. The futuristic design with soft tones stands out against the wooden textures and finishes, giving life to a sophisticated indoor atmosphere.
