

AURELIA

MC Lab - 2016

DESCRIPTION

Timeless charm, materials ductility and forms originality: Aurelia is a very charming chair where leather dominates the scene as it completely covers both the seat and the back with a particularly enveloping shape. The detail that makes the difference is the visible stitching that - while maintaining a sober and measured allure - also makes Aurelia a precious design object. Its strong aesthetic impact and marked character focus on a refined image in which the chrome of the frame is opposed to the stitching of the leather that totally covers the seat. Steel supporting structure.

DESCRIZIONE

Fascino senza tempo, duttilità dei materiali e originalità della forma: Aurelia è una sedia di grande charme dove a dominare la scena è il cuoio, che ne riveste interamente sia la seduta che lo schienale dalla forma particolarmente avvolgente. Il dettaglio che fa la differenza sono le cuciture a vista che - pur mantenendo un'allure sobria e misurata - rendono Aurelia un prezioso oggetto di design. Il suo forte impatto estetico e carattere marcato puntano su un'immagine ricercata in cui le cromature del telaio si contrappongono alle cuciture del cuoio che riveste totalmente la seduta. Struttura portante in acciaio.
