

FLLAIR

Dining table

Design by Samuel Wilkinson | Ref. C28 | Weight 49 kg/97 lbs

Measurements

Collection: The new dining collection FLLAIR by Samuel Wilkinson harmoniously blends robust and gentle elements in a timeless design. The graphic weave, crafted from three DEDON fibers in varying widths and colors, elegantly accentuates the curves of the armchair and round dining table.

Characteristics: Timeless, elegant, harmonious, inviting, refined.

Frame: Made of DEDON Fiber woven over an powder-coated aluminum frame.

Frame Maintenance: Clean the frame with a soft cloth and warm water. Clean the teak with DEDON Teak Cleaner. To retain the golden-brown color of unweathered teak, we recommend applying DEDON teak protector at least once every six months.

Craftsmanship in numbers: Length 449 m/491 yds | Weaving hours 28
